PROJECTGIFT TZ0163

THANK YOU LETTER FROM PASTOR SAMWEL

Dear friend,

Greetings in the name of our Lord Jesus Christ, it's our hope that you are doing well. We are very grateful for your kindness to us, through the gift you gave us, thank you for allowing God to continue use you to touch the Children and Youth ministry and Community as well at our Canter TZ0163.

Through the gift you gave us, we have been able to make Desks, Tables and chair for our participant at the Center, this has helped us overcome the challenge of the shortage of desks we had. As Church, we always remember you in prayer with your family, may God protect and take care for you all. We love you. It is Our prayer to you in this year 2024 in everything you do and wherever your feet tread you will be blessed.

Deuteronomy 28:3-6 Blessed shall thou be in the City, and blessed shall thou be in the field. Blessed shall be the fruit of the body, and fruit of thy ground, and the fruit of thy cattle, the increase of the kin and the flocks of thy sheep. Blessed shall be thy basket and thy store. Blessed shall thou be when thou come in and blessed shall thou be when goes out.

We pray that these passages we be manifested in your life.

Rev. Samwel Marmo
Tanzania Assemblies of God, Goshen Temple.

PHOTOS

The first step of this project was collection of material for making desks, tables and chairs as the photo shows that wood is ready in the work area.

The second stage was to prepare the steel for connecting with wood to make desks, chairs and tables. As the photo shows welder welding steel to make desks.

The photo shows a Carpenter preparing wood by softening it make it ready for making desks, chairs and table.

The photo shows the painter painting the steel to make it look good but also to prevent it from rusting.

The photo shows Carpenter putting the wood in order to make chairs and on the side some chairs are seen ready made.

The photo shows the Carpenter at the final stage of making desks, chairs and tables for participants.

The Photo shows desks, tables and chairs received at the center, ready to be used by the Participants.

The picture shows Participant being happy after receiving desks, chairs and tables at the Center.

The photo shows happy faces with gratitude hearts of our participant after receiving desks and chairs that will make supportive environment for them to learn at the Center. Also holds posters that have message of thanks to the donor who sponsored us the desks.

Currently all classes are in use and the participant are well divided in their classes and they sit freely without being cramped while learning. The picture shows Participants sitting comfortably on the new desks listening to the teacher.

PHOTOS OF FINISHING TWO CLASSROOMS

As seen in the picture here are two classes before finishing.

This photo shows the builders who have already started the finishing work of the classrooms and here they are plastering and the second photo the technicians are closing the draft for the gypsum board.

The next picture is painting on the gypsum board which built in both classes.

The finishing of the classrooms proceeding and here it is at the stage of painting outside and inside the classrooms.

Here is a continuation of the painting and flooring in our two classrooms as it appears.

As you can see our classrooms are already finished with colors and this is what they look like on the front and back side of the classrooms.

Finally both our classes are ready for use and this is what they look like here. And the participants are already using the day of the program.

After the completion of the finishing of the classes now the students are using them properly.

They are so happy and very grateful for those who involved in enabling them to have beautiful and modern classrooms as seen in the five pictures here.
